

# 2<sup>nd</sup> Indo-European Symposium on Surface Engineering

## Department of Physics

### Birla Institute of Technology Mesra, Ranchi, India

#### 11-12<sup>th</sup> December 2024

The 2<sup>nd</sup> Indo-European Symposium on Surface Engineering will focus on the recent developments in the area of surface engineering, surface treatment processing of innovation, functional coatings, advanced methods for the deposition of new materials, surface treatments, coatings for various industrial and strategic applications, advanced characterization techniques, development of multilayer systems and devices.

#### Scope and Topics:

- S.1. Functional coatings
- S.2. Coatings and Thin Films for industrial applications
- S.3. Coatings and Thin Film for strategic applications
- S.4. Coatings for power sectors
- S.5. Advanced methods of materials deposition and surface functionalization treatments
- S.6. In-situ and in-operando characterization techniques

**Abstract  
Submission**

**15th September 2024  
(Last Date)**

**Acceptance of  
Abstract**

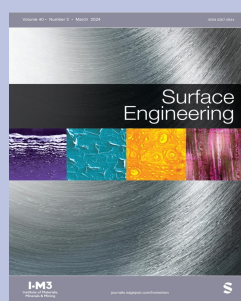

**30th September 2024**

**Full Paper  
Submission**

**15th October 2024**

#### Publication Partners

Accepted Papers will be Published in a Special Issue of Surface and Coatings Technology, Surface Engineering and Other Journals
