<u>Report of ICT Expert visit to Deptt of CSE</u>
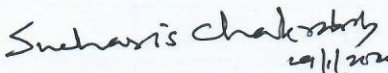

29.01.2020

The ICT experts, Dr. Snehasis Chakraborty and Dr. Sandeep More visited the department on 20.01.2020 to check the NBA readiness of the department for the upcoming NBA visit scheduled to be on 7th February, 2020.

The experts went through the documents prepared by the department and gave the following suggestions:

1. The list of faculty members programme wise should be maintained, year wise and submitted to NBA team. The division would be based on the classes engaged by the faculty members in the programme.
2. They suggested that the list of Adjunct faculty members, or those from different Departments who were involved in the programme could also be considered.
3. They advised 'that the evidences of stakeholders' opinion in programme curriculum development and revision should be included.
4. The contents of course files was detailed out to include syllabus, course delivery method, mapping of all quiz as well as end semester question papers.
5. The roll list of students, the CO attainment calculation, student feedback in the course would also be major components in the course files.
6. They also suggested some changes in the department presentation.
7. They finally insisted that the files should be arranged as P.1 and P.28 as required by NBA.
8. The faculty members of the department were very satisfied with the expert visit.
