

REPORT OF ICT EXPERT VISIT TO DEPARTMENT OF MECHANICAL ENGINEERING

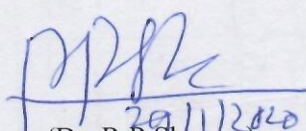

January 29, 2020.

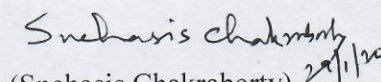

The ICT experts, Dr. Snehasis Chakraborty and Dr. Sandeep More visited the department on 29.1.2020 to check the NBA readiness of the department for the upcoming NBA visit scheduled to be on 7th February 2020.

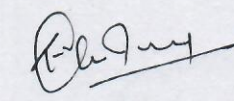

The experts went through the documents prepared by the department and gave the following suggestions:

1. The list of faculty members programme wise should be maintained, year wise and submitted to NBA team. The division would be based on the classes engaged by the faculty members in the programme.
2. They suggested that the list of Adjunct faculty members or those from different Departments who were involved in the programme could also be considered.
3. The team suggested some more documents to be added into the programme file.
4. The improvement criteria in SAR were discussed and received valuable suggestions on it.
5. The contents of course files was detailed out to include syllabus, course delivery method, mapping of all quiz as well as end semester question papers.
6. The roll list of students, the CO attainment calculation, and students' feedback in the course would also be major components in the course file.
7. They also suggested some changes in the departmental presentation.

The faculty members of the department were very satisfied with the expert visit.
