Minutes of IQAC Meeting #49

Time: 4:00 p.m.

Venue: Conference Hall

Agenda: Analysis of QS 2025, Times Higher Education 2025 and NIRF 2024 (Engineering) Results

The IQAC presented before all Heads of Departments, Deans, Departmental NIRF Co-ordinators and Team NIRF 2025, the results of international rankings, in which the Institute had participated for the first time.

The results and analysis of QS 2025, Times Higher Education Rankings 2025 and NIRF 2024 Engineering were displayed, in comparison to that of peer institutions and the areas for improvement were discussed with all.

The members noted that the following points are critical in further improving the performance of BIT:

1. Higher number of PhDs to be produced (↑30% each year)
2. Teaching and Research Reputation – More academic and industrial contacts, who may nominate BIT, may be made and cited for surveys
3. Departments encouraged to provide consultancy services to the industry and identify other opportunities to generate income from the industry
4. International outlook and presence must be established by bringing in international faculty, international students (inbound and outbound), international co-authorship
5. Citations per paper – cross citations amongst departmental faculty
6. Papers per faculty – annual target of 2 papers per faculty in renowned journals
7. Information about graduates – where they are placed / doing higher studies / self employed
8. Student intake must be increased along with 100% seat utilisation
9. Patent filing should be 100 per year
